-------------------------------------	--	---------------------------------------	--

About the Story:

In this adventure you find treasures and valuables in your mad uncle Tays' house type simple commands: north, south, etc.

To move (or just 'n', 's'). Take and drop, inventory, look, read, move, and so on.

Some commands are complex: 'move the hubcap with the spanner'.

8-Bit BASIC Retro-programming Projects and Classic BASIC Games
